ABOUT MYSELF

A committed and intellectually motivated postgraduate student of geography who is presently working on a Bachelor of Education (B.Ed.) and who has a great love for research, teaching, and sharing knowledge. Along with pedagogical training to effectively engage and inspire learners, my academic career has equipped me with expertise in both the physical and human sides of geography. Inspiring to progress in academia via teaching, mentoring, and research contributions, I am driven to make a significant contribution to educational institutions by fusing creative teaching methods with in-depth topic knowledge.
